

SOME RATS ARE *JUST FASTER* THAN OTHERS

Get ready to move *twice as fast* with Transposagen.

It's time to test drive your new rat model, customized to your precise needs. Using technology faster than any other, we are ready right now to speed you on the way to drug discovery success. Knockout, knock-in, inducible or conditional, we are here to steer your research into the fast lane, every time.

As the worldwide leader in genetically modified rats, we're researchers who share your passion for discovery.

This is our lifeblood. Come see the difference today.
